Care & Repair in Powys

Since 1988 our services have helped thousands of people in Powys. We have been able to do so mostly through funding from Welsh Government, the County Council, Health Board and others.

Over the years, with costs going up and funding staying the same or shrinking, we've been helped by donations from clients. **If you want to make a donation** and can afford to do so please read the options below and complete the form on the reverse of this page.

Every donation, no matter how small, is appreciated but **if you'd rather help in another way**, please spread the word about how our service has made a difference to you. There are many who have not heard about Care & Repair who may need us and it always helps when those that decide on our funding, hear good news.

You can choose how your donation is used, please tick one option:

(1) The **Client Support Fund** – this helps people in need

OR

(2) A **General Donation** – this helps meet some of our general costs

OR

(3) **Both** – we will put half your donation in each fund.

Thank you from everyone at Care & Repair
